## FUNDRAISER A SUCCESS!

Thanks to many wonderful people, the LARC Fall Fundraiser netted over \$16,400.00!!! With Linda Hudak and Carole Weyand at the helm, the night was a fabulous celebration and show of support for our program. Thanks to everyone who volunteered their time, help, encouragement, humor, skills, donations, and financial support. Funds raised go directly into our program activities and help LARC remain the premier Adult Day Program in the area. Thank you all!
