

ORINDA MANDARIN CHINESE LANGUAGE PROGRAM

We are pleased to be able to continue the Mandarin Chinese Language Program for the Lamorinda area. This is a non profit program started in January, 2006. The program is modeled after the highly acclaimed Piedmont Language Program. Established by Piedmont parents over 30 years ago, that program now offers language instruction in Spanish, French, Mandarin and Japanese. Over 300 students from all Piedmont elementary schools now participate in the program.

Studies uniformly support that a child has a limited window of opportunity for easily and proficiently acquiring additional languages; the "window" shuts in middle school, limiting the ease and likelihood of acquiring proficiency or fluency in a foreign language. Specifically, they are capable of developing the intonation and pronunciation of native speakers. So, if you're interested in exposing your child to a foreign language, now is the time to act!

MISSION

The mission of the Orinda Mandarin Chinese Program is to promote the acquisition of Mandarin language through a rigorous but enjoyable curriculum, providing our students with the ability to speak, read and write in Chinese.
