

# MEMORIAL DAY

Remembering the Fallen

In 1971, Memorial Day was declared a federal holiday in the US to honor the men and women who lost their lives while serving in the military. "Thanksgiving is a day when we pause to give thanks for the things we have. Memorial Day is a day when we pause to give thanks to the people who fought for the things we have."

"Greater love has no one than this, that someone lay down his life for his friends." ---John 15:13

**From Dr. Bob Weyand:** Honor flight is a non-profit organization with a mission to transport American veterans to Washington D.C. To visit those memorials dedicated to honor the services and sacrifices of themselves and their friends. I was selected after applying to go on one of their flights with my son as my Guardian. Following are some pictures of our trip.

The Women's Book Group will meet at 10:00 a.m. in Gregersen Hall on Saturday, **June 15.**

All are welcome. Please contact Alison Kling for any further information.

The book selection for June is "Beneath a Scarlet Sky" by Mark T. Sullivan. This is a story of a young Italian during World War II who joins an underground movement to help Jewish people escape after his home in Milan is destroyed. Forced to enlist as a German soldier, he becomes the driver of an important German general. This gives him the opportunity to spy for the allies. His love for the Jewish widow he met in the underground movement bolsters his courage and hopes for the future.

The next meeting will be July 27 and more information will be forthcoming.
